

## Smart Lab Report(Adilabad)

On 27-08-2024, a Smart Lab has been established in Government School No.2, Adilabad District by Ekalavya Foundation with financial aid from Fortees. Students from Class 6 to Class 9 will be taught English, Maths, Science and Social subjects through digital classes by means of the software installed in the computers provided in the Smart Lab. 3 groups each day undergo examinations listening to the songs in this Smart Lab and a total of 123 students appeared examinations from last month. The School thanked Sri Mahalingam Garu, Dr. Ramesh Garu, for his cooperation in the establishment of Smart Lab.
